# THE FIRST WITNESS

President of the Miners Testifies Before the Arbitrators at Scranton.

GRIEVANCES OF WORKERS

Set Forth in Long Statement Pre sented by Mitchell-\$1,500,000 for the Strikers.

SCRANTON, Pa., November 14.-The coal strike arbitrators held their first

ar. mitchell expressed the hope that the commission would "succeed in establishing a relationship between the operators and the miners that would insure peace and stability in the industry for an in-

Miners' Work Hazardous.

After reciting the demands for increthe laborer, the weighing of coal and an industrial agreement, the refusal of all of on contract, or piece-work; the remain

world. The number of persons killed and injured is greater than in any other industry. Each day the anthracite mines are in operation 26-10 persons lose their lives and three times as many are maimed, and yet these men receive less wages annually than are received by men performing precisely similar work in affect.

neids under more tavorable and less naz-ardous conditions.

"It seems but fair and just that wages paid these classes of workmen should be as high, if not higher, than wages paid to skilled artisans in other industries." campled period of prosperity, and, as far is the Pennsylvania is concerned, this resperity is bound to continue for at

Standard Working Day. ist two years, if contracts are kept. It is time two years, if contracts are kept. It is time that our employes be given a share in this prosperity. All the railroads in the United States and all employers of labor are contemplating an advance in wages. The cost of living has increased 20 to 25 per cent, but wages have not increased accordingly. This movement is bound to come and the Mr. Mitchell showed that it amounted practically to a demand for 20 per cent. increase of compensation for \$3,000 men, or 57 per cent. of all mine employes. He said the eight-hour day was the standard working day in the mining industry. Eight hours constituted a day's work in the coal mines of Great Britain, in all the sliver, sold and compensations, and not increased accordingly. This ent is bound to come, and the Pennsylvania may as well lead as follow.
We have more business offered than we can handle, and can not see a way out of the trouble unless we keep our men loyal to the company and help them while they Arkansas, Kansas, Missouri, Iowa, Illi-nois, Indiana, Ohio, Michigan, Kentucky, Tennessee, in western Pennsylvania and

nelp us. I therefore recommend a flat increase of 10 per cent. in wages, and advise that this announcement be made to the employes first and to the public later."

Superintendents Notified.

In accordance with President Cassatt's suggestion, the announcement of the increase of wages was telegraphed to division superintendents, and by them posted at headquarters.

On June 30, 1902, the Pennsylvania had in its employ on the lines east of Pittsburg and Erie 94,835 men. This number

AN INFANT'S BODY IN CANAL.

Paying for coal by the car or by a ton weighing from 2.740 to 3,150 pounds was a flagrant injustice, he said. The miners had been forced to produce a constantly inminer should be paid for every pound of "broadcut," a portion of the canal above coal he mined that was sold by

The United Mine Workers

covered the body of an infant that had been tied up in a bundle of rags and thrown in the water. There is no clew to He outlined the history and policy of the United Mine Workers of America, and the United Mine Workers of America, and the known as "diploma mills." The board the United Mine Workers of America, and explained that by its constitution the authractic and bituminous miners had home thractic and bituminous miners had home three trule for the government of local affairs. As to the responsibility of the mine workers' organization, Mr. Mitchell said.

"At the vresent time the United Mine Workers of America has contracts with the operators of fourteen States and distriction, fixing the amount the miners shall receive a day, the number of hours which shall constitute day's work, and the methods and madular of hours workers, and the methods and madular of the Chicago and and the methods and madular of hours workers of the board, went to Chicago and advis work, and the methods and madular of hours which shall constitute a day's work, and the methods and madular of the care of the saljustment of local grievances by joint conferences with the shown that they word college the hour of the Chicago and the reached for his gun, loaded with quali shot.
